

Mississippi S-Corporation Computation of Net Taxable Income Schedule 2004

A corporation **must attach a copy of its Federal return** and use Federal net income as a beginning point for computing its net taxable income for Mississippi tax purposes, unless it is a multistate entity whose sole activity in Mississippi is from either the business of construction contracting or the production of mineral or natural resources. If so, skip to line 14. All other multistate entities must also complete Form 83-125.
